evidently you have the one of "Sammy" I wonder what became of Charles —

I am sorry to say the musical Genius has quite died out now of the family - It may interest you to know that I have old Mrs. Charles Wesley's Citern on which she played to George 4th when she was ~~Eighty~~ Ninety years of age - I also have a little work case given by her aunt "Sally" to my Mother - Also memorial rings for Charles and his wife

Yours sincerely

Dear Sir

Thank you for your kind letter and for the magazine with your interesting article in it. I remember my uncle Dr S. S. Wesley once showing me a little book and the curious domestic expenses you mention were in it — The painting of my Grandfather which you mention and also one of his brother Charles used to be in my uncle's dining room. I understood he left them both to either the National Portrait Gallery or to the Royal College of Organists
